Building 800 has been closed for the past nine year/unoccupied. The building was being used for storage of excess school furniture, old computers and materials. The building has been invested by mice and bats over the past 9 years. The district was attempting to clean the building when it was advised by the SFB that we stop the project because of the concern for the district employee's health. The District has requested a proposal for the clean-up. The proposal cost for clean-up, restoration, and environmental oversight for building 800 is an Estimate of \$158,000. The District is requesting funding to restore the building and access district furniture and supplies. The Proposal has been sent to SFB with detail project scope of work and the cost.
